If we are "at war" with Islam it is not because there is something wrong with us, but because there is something wrong with Islam.

*"I am one of the servants of Allah. We do our duty of fighting for the sake of the religion of Allah. It is also our duty to send a call to all the people of the world to enjoy this great light and to embrace Islam and experience the happiness in Islam. Our primary mission is nothing but the furthering of this religion."
Osama bin Laden (1957 - 2011)*

Hamas Wants Your Money!

This is Ismail Haniyeh, the leader of the Hamas terror group, which the Palestinians have chosen to run their government. He wants your money... unconditionally.

These are his people, the Hamas terrorists who have slaughtered hundreds of innocent people in shopping malls, cafes and even on buses. (They're holding Qurans).

This is an example of who they murder: Mazal Marciano a talented and devoted mother of two small children. She made easy pickings for Haniyeh and his henchmen.

Are you burning with the Peace of Islam?
