

100 Battle Ready American Troops(?)

And

Christians burned in Nigeria(?)

There is no doubt in my mind anymore that Obama is a stealth (?) MUSLIM! I suspect numerous members of his administration are as well such as Holder, Jarret, Rice, etc. Suspend your dis-belief for a few minutes so you can reasonably and logically make some sense of the below! It is analogous to Bill Clinton bombing the Serbs who were trying to prevent Muslims from taking over control of Kosovo! Obama has now sent US troops to assist MUSLIMS in fighting off a Christian Militia trying to stop MUSLIMS from conquering land in Africa! At some point Obama will order US Troops to attack ISRAELI troops defending Israel from the Palestinian MUSLIMS! I'd bet money on it!

Many of you may not be aware that yesterday, Obama, has quietly ordered 100 battle ready American troops to go and help Muslims in 4 countries in central Africa, to fight a small Christian rebel group, without the approval of Congress. Last week we were made aware of the horrific genocide of the Coptic Christians in Egypt by Muslims. This administration remained silent, as they have all along, while the Arab Muslims continue to slaughter the Black Christians in Southern Sudan. What you will also not find in the "mid-stream" media, is that in Afghanistan, a country that American Christian soldiers have given their lives to liberate [people] from the brutalities of Al-Kaida, not one Christian church is left to be found. As if that is not enough, your president is poised to bring over [to] America, millions of Muslims, to prevent them from being murdered by another sect of Muslims, once our soldiers return home. My fellow Americans, do you see a pattern here? I hope that you will be brave enough, to stand up against this, "Fundamental" transformation of our culture and dare to stare this Govt down, and say, "Not on our watch".
