Muslim Brotherhood in the Oval Office

Lee DeCovnick

The Muslim Brotherhood, founded by virulent anti-Semites, subsidized by Adolf Hitler, and its stated [goal](#) for the MB in America includes the following:

The Ikhwan [the MB] must understand that their work in America is a kind of grand Jihad in eliminating and destroying the Western civilization from within and "sabotaging" its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions.

The MB has even been thoughtful enough [to list some of its North American front groups](#): (scroll down the PDF for the English translation)

- [Association of Muslim Scientists and Engineers](#)
- [Association of Muslim Social Scientists](#) (of North America)
- [Audio-Visual Center](#)
- [Baitul Mal Inc.](#)
- [Foundation for International Development](#)
- [International Institute of Islamic Thought](#)
- [Islamic Association for Palestine](#)
- [Islamic Book Service](#)
- [Islamic Centers Division](#)
- [Islamic Circle of North America](#)
- [Islamic Education Department](#)
- [Islamic Housing Cooperative](#)
- [Islamic Information Center](#) (of America)
- [Islamic Medical Association](#) (of North America)
- [Islamic Society of North America](#) (ISNA)
- [Islamic Teaching Center](#)
- [ISNA Fiqh Committee](#) (now known as the [Fiqh Council of North America](#))

- [Occupied Land Fund](#) (later known as the [Holy Land Foundation for Relief and Development](#))

The MB ultimately would like to eliminate all the Christians, all the Jews, and all the Buddhists, all the Hindus; every single infidel on the planet, while establishing a Global Caliphate run by, of course, the Muslim Brotherhood.

What a swell bunch of folks.

Say, did you read the [Washington Free Beacon](#) bylined by Adam Kredo? I guess the entire MSM somehow missed this news item.

Anas Altikriti, a senior member of the Muslim Brotherhood, is closest to the camera, on the left side of the photo.

A senior member of the Muslim Brotherhood was recently hosted at the White House for a meeting with President Barack Obama, prompting an outcry from critics of the global Islamist organization.

Anas Altikriti, a top British lobbyist for the Muslim Brotherhood whose father heads Iraq's Muslim Brotherhood party, recently [met](#) with the president and Vice President Joe Biden as part of a delegation discussing problems in Iraq.

Altikriti, whose work has also been tied to Hamas, can be seen smiling in photos [published](#) by the White House as he stands next to Iraqi Parliament Speaker Usama al-Nujaifi, who is pictured shaking hands with President Obama in the White House's Roosevelt Room. The meeting was first highlighted by the blog Harry's Place.

Altikriti's presence in the White House was surprising to many who said the U.K. organization he heads, the Cordoba Foundation, has been singled out by British Prime Minister David Cameron as the "[political front for the Muslim Brotherhood](#)."

[Paul Stott](#), an U.K. academic and expert in British jihadism at the University of East Anglia, said Altikriti's presence in the meetings represents "part of the long term U.S.-U.K. engagement with the Muslim Brotherhood, a strategy which hit choppy waters when it became clear people in Egypt were far from ready to let the [Muslim Brotherhood] run the country the way they wanted."

"The coup could have put paid to this glad handing, but it is clearly continuing," Stott said.

Altikriti has been called the "key political lobbyist for the Muslim Brotherhood in Britain." His Cordoba Foundation has been criticized for working "closely with other British extremist groups which seek the creation of an Islamic dictatorship, or caliphate, in Europe," [according](#) to the British *Telegraph* newspaper.

Altikriti formerly served as a spokesman for the British Muslim Initiative (BMI), a group that has been singled out for close links to Hamas. BMI's founder and president Mohammed Sawalha has served as a senior military operative for Hamas.

So, a senior member of the MB is invited to the Oval Office, and is photographed with the President. We can only wonder how many such

meetings have taken place already, and how many more will occur in the next three years while Obama remains in office?

As Glenn Reynolds oftne quips, this nation is in the best of hands.
